

Faggeto Lario, Stone house , Surface: 84 m²

Description

In Faggeto Lario, in the hamlet of Palanzo – an ancient lakeside village – we are offering a stone house comprising three rooms and a bathroom. Whilst the property retains numerous original and characteristic features of yesteryear, such as exposed wooden beams, a fireplace with a hearth, terracotta flooring, and wooden doors and shutters, it is in need of renovation. There is no designated parking space, but free parking is available a short distance away. Ideal for lovers of nature and tranquillity.

Building Characteristics

Year: 1950, energy class: g, ipe (kwh/m² year): 283,00, sight:houses view.

Price: € 130.000
